

PUJA DAHAL

Writer, Researcher & Cultural Communicator

Kathmandu, Nepal | workwithpuzz@gmail.com | pujadahal.com.np

PROFESSIONAL PROFILE

Writer, researcher and cultural communicator with published travel and cultural writing, postgraduate research, independent English-language guiding, and experience adapting learning for different learners. Skilled at turning complex or scattered information into clear, audience-focused content. Seeking communications, documentation, research, education, outreach or project-support roles in social-impact organisations.

CORE COMPETENCIES

Communications & content: research-based writing, web content, cultural storytelling, audience adaptation and editing

Research & documentation: background research, summaries, information organisation and progress documentation

Learning & engagement: lesson planning, adaptive tutoring, bilingual communication and cross-cultural public engagement

Tools: Microsoft Word, Google Docs, Canva and keyword-research tools

RELEVANT EXPERIENCE

Content Writer / Contributor | Global Eco Trails

- Researched and wrote public-facing travel content that balances practical information, cultural context and readability for online audiences.
- Adapted structure and tone to different reader needs, from first-time trekkers to travellers seeking cultural and destination background.
- Produced published work on Khopra trekking preparation, monasteries along the Everest Base Camp trail and festivals of Upper Mustang.

Independent City Guide | Kathmandu Valley 2024-Present

- Conduct personalised English-language tours through Kathmandu Valley heritage sites, explaining history, culture, religion, architecture and the natural environment.
- Adapt explanations in real time to the interests, questions and prior knowledge of individuals and families.
- Build rapport across cultures while keeping information accurate, accessible and sensitive to context.

Private Tutor and Learning Support | Kathmandu 2022-2024

- Supported a visually impaired Grade 11-12 learner across six subjects in English and Nepali, adapting pace, explanation and learning materials.
- Worked with two literacy learners aged 18-19 over three to four months, three days per week, progressing from phonics towards basic reading.
- Prepared lesson plans, curriculum materials and a limited number of formal progress reports to support learning and communicate progress.

SELECTED PUBLISHED WRITING

A Practical Guide for First-Time Trekkers | *Written for Global Eco Trails.*

A beginner-focused Khopra trekking guide combining practical preparation with attention to pace, comfort and different experiences of difficulty.

Monasteries Along the Everest Base Camp Trail | *Written for Global Eco Trails.*

An accessible introduction helping travellers understand monasteries along the route as living cultural and spiritual spaces rather than scenic stops.

A Guide to Festivals in Upper Mustang | *Written for Global Eco Trails.*

A researched destination guide organising festivals, rituals and community practices into clear information for travellers.
